

Rental Program Overview

Program Details

- Rent equipment with no contract
- \$30 plus tax a month
- No upkeep on your part is required
- Upon connection, two 50 lb. bags of salt are included
- We accept credit cards
- Minimum \$75 connection fee

What About Plumbing?

We provide a pre-plumbing inspection at each installation site if you are considering renting a unit to provide you with accurate information (no surprises later).

If you are interested in scheduling a pre-plumbing inspection at no cost, no obligation and no pressure, call our office for an appointment at your convenience.

Rayne Water: A Green Choice

- Each system is refurbished with new factory parts eliminating landfill waste
- Less supplies used means less waste
- Saves our oceans from phosphate pollution***

Since 1928 Rayne Dealers have been solving water problems with state-of-the-art equipment. As a Rayne customer, you'll feel confident with their expertise, reliability and superior service.

We have an A+ rating with the BBB.

RENTAL PROGRAM

*The Service
That Pays For Itself!*

Welcome!

At Boyett Family Rayne Water Conditioning, we have been solving hard water problems in homes like yours since 1964. Our systems are built to last and designed to give you and your family soft, luxurious water that will save you money from the moment you begin to use it.

Our friendly and experienced staff, some who have been with us for 24 years, strive to give the best service in the Valley.

We offer the automatic water softener for \$1 per day with no contract. Just month to month rental. All service calls and any parts ever needed are provided at no charge.

We will switch out the entire system every 5 years to keep the soft water at top level performance. We include a soft water hose bib on the plumbing for washing any vehicle.

The Boyett Family & Staff

Symptoms of Hard Water

While most of us rarely think about the water we use in our home, have you ever wondered, is your water too hard? Soft enough? Or for that matter, what exactly is hard water?

- Calcified bathroom fixtures and stained sinks
- Dry, itchy skin
- Dingy and worn clothing
- Dull, limp hair
- Spotted dishes, glasses and silverware
- Clogged pipes, water heaters and plumbing
- Soaps that won't lather well or rinse off

Benefits of Soft Water

- Softer smoother skin and hair
- Reduces chlorine taste and odor
- Easier cleaning, saving you time
- Saves up to 80% on soaps, shampoos, detergents and cleaning supplies*
- Increases the life of water heaters,** plumbing, faucets, shower doors and other water using appliances
- Sparkling dishes and glassware

According to the Bureau of Labor Statistics an average family of four can save up to \$106 per month by switching to soft water*
